**Each homework item worth 3 pts.**

#1 Write out a list of all the ways you have viewed submission negatively. Now spend some time in the Word, the Bible and with your concordance. Look up all the verses where it talks about submission. What is your new view on it?

#2 Every time you get offended, hurt, irritated or any other feeling where you feel like your “rights” have been violated record it down. Then after you have written out the recorded offense write out a prayer below it blessing that person that upset & offended you. Use Scripture in your prayer of blessing to make it even more powerful.

#3 Go shopping! Yes that is right go shopping and pick out a special red journal or any other color to your liking. Title this your ~Love Journal~. Then start recording every time your husband (or others in general) does something kind and loving to you. Write it down and cherish it. When you are having a hard day it is a lovely thing to be able to flip through the pages of your love journal and see that you are in fact loved.
